Pastors Pen:

The Awe of God's Word

"And for this reason we also constantly thank God that when you received from us the Word of God's message, you accepted it not as the word of men, but for what it really is, the Word of God, which also performs its work in you who believe." I Thessalonians 2:13

There is an old saying, "Familiarity breeds contempt." Most Christians do not have contempt for God's Word. But, they have heard it so many times that they simply don't listen. It is like the train whistle that is so often heard that eventually you tune it out.

God's Word is God's Word. Every time it is opened we should receive it with awe and reverence! When we read God's Word it ought to have as much impact as if Jesus were standing in front of us and speaking it himself.

After all His Word is His Word!
